Kindergarten through second grade enjoyed a morning at Bauman's Orchard. The students enjoyed a hayride and picking their own apple from the apple orchard. There was a petting zoo and a maze. The students toured the cider making area.

Look for your Letter! The students at SPJ took time to write letters requesting sponsors for Race for Education. This is a fundraising effort to promote quality education and affordable tuition for our families. Join us on October 31 for a one-hour walk on the Towpath. Thanks parents who volunteered for this great project!

Your child is worth it.
